

LEVERHULME-PEIERLS FELLOWSHIP 2024 COVER SHEET to be uploaded with your application

Please read the full information about the criteria and follow the 'how to apply' instructions in the Job Description carefully before submitting your application.

For your application to be considered, you must submit:

- a completed cover sheet (this document)
- a cv with publications list
- a research proposal (two pages only)

You must also arrange for one nomination letter and two supporting reference letters to be sent via email to: RPCReferences@physics.ox.ac.uk. Nominations and references must be received by the closing date for applications (7 October 2024) in order for your application to be complete and considered by the selection panel.

Please specify which area(s) of theoretical physics best describe your interest:

<input type="checkbox"/>	Astro & Plasma Physics	<input type="checkbox"/>	Condensed Matter (hard, soft & biophysics)	<input checked="" type="checkbox"/>	Particle Physics
--------------------------	------------------------	--------------------------	---	-------------------------------------	------------------

If you are unsure, or your work is interdisciplinary, please consult the [Rudolf Peierls Centre](https://www.rudolfpeierlscentre.ox.ac.uk/) website for information about where your proposed research may fit best.

Where appropriate, please identify members of the RPC with overlapping research interests.

Andre Lukas, Joseph Conlon, Andrei Constantin, Shivaji Sondhi, Siddharth Parameswaran

Surname or Family Name	Gerdes
First Name	Mathis
Title	Mr
Current Position (at time of application)	Promovendus (PhD student)
Current Institution	University of Amsterdam, Institute of Physics

Nominator details:

Name (including title)	Institution	Your relationship with the person
Dr. Miranda M. C. Cheng	University of Amsterdam	Academic supervisor

Referee details:

Name (including title)	Institution	Your relationship with the person
